## **Invitation of Expression of Interest -**

### **Sanitation of Public places and Offices**

At the high level meeting convened in the chamber of Hon. Minister for Industries on 07.05.2020 to explore possibility of manufacturing various products /offering services required urgently in the Covid-19 situation. Accordingly KEL explored various business opportunities and identified sanitation of hospitals, offices, public places, etc is one of the potential businesses, in the Covid-19 spreading situation and got a go ahead nod for the proposal from the Government during meeting on 02.06.2020.

In this context, offers are invited from experienced parties engaged in the sanitation business who are interested to associate with KEL in this endeavor. Interested parties shall submit their expression of interest with supporting documents to prove their capability, experience, financial capacity etc. to the Manager (Projects), Kerala Electricals and Allied Engineering Co. Ltd, 7th Floor, Housing Board Building Complex, Panampilly Nagar, Kochi – 682036, Kerala, on or before 10.06.2020.
